Site will be completed or shut down for Christmas after that? If you aren't completed who will cover when the work resumes. My plan is to include names in the contingency plan through mid January 2019.

Gary, Mark, Chris and Susan – I need to submit the contingency plan for the Branch in the event of a government shutdown. In talking with Ronnie today, he stated in addition to the PDO and RDOs and staff deployed in support of Region 9, the list is to include the staff working the FJ Doyle and HP sites. However, Ronnie stressed that we should plan on having only one person per day at the site. What I need by 3pm today, is a list of OSCs who will be conducting oversight of the site activities and

the dates they will be working.

FYI : Here is the list of OSC included in the contingency list thus far due to PDO/RDO.
